

Goody Two Shoes (Invertary, #2) Take one American singer who doesn't believe in falling in love! Josh McInnes' biological clock is ticking and he wants to get married now. After 20 years singing sappy love songs, he knows that there is no such thing as romantic love. There's only hormones and lust. At thirty-five, he's tired of his playboy lifestyle. Add a Scottish librarian who has given up on ever falling in love! Caroline Patterson terrifies men. With her no-nonsense attitude, and ice queen demeanor, she's in control of everything and everyone around her. Her sensible shoes and grey skirt suits act like a force field, repelling male attention. At thirty-one, she can't remember the last time she went on a date and is beginning to think she'll never have a family of her own. When an American stranger buys the local castle then approaches Caroline with a marriage proposal that resembles a business contract, she quickly accepts. She doesn't expect romance.
